WordSmith Publications is happy to introduce “**Smart Learners**”, a comprehensive curriculum which adheres to the prescribed course content by the NCERT. This series is most suitable for schools following the **CBSE Board** and the **State Board** curriculum.

As the name suggests this series of books from **Nursery to Class 8** provides a complete package to help the **Learners** use and apply the knowledge in a **Smart** way. This series is a collective effort of the entire team of **WordSmith Publications**, comprising of highly experienced teachers, authors, editors, books designers and the printing house. These books have been authored and compiled by an eminent team of teachers who are highly qualified, experienced and have given the content quality and presentation an altogether different level. The team of professional editors has given the content, the required finishing touches and has taken every effort to make the books 'error - free'. The book designers have added good aesthetic value to the content. The paper, print and binding quality of the books is top class.

We are sure that the teachers and students shall undoubtedly find “**Smart Learners**” series of great value, as it would certainly complement their hard efforts.

SALIENT FEATURES OF “SMART LEARNERS”

- Adheres to CBSE and State Board Syllabus Requirements.
- Compiled by highly experienced Teachers & Authors.
- Edited thoroughly by professional editors.
- Attractively designed.
- Excellent Paper, Print and Binding quality.
